bedroll, candle (10), flint and steel, rations (3 weeks), scroll case, STOWED waterskin, writing set

WEALTH 1 gp, 7 sp, 6 cp

SPELLS

charm, fear, soothe **IST LEVEL (2/DAY)**

You are a master of artistry, a scholar of hidden secrets, and a captivating persuader. You use your magic-infused songs to influence minds and elevate souls to new levels of heroics.

EQUIPMENT

The following rules apply to Lem's equipment.

Agile (trait): The multiple attack penalty you take on the second attack each round with this weapon is -4 instead of -5, and -8 instead of -10 on the third and any further attacks in the round.

Backpack A backpack can hold up to 4 Bulk worth of items. If you're carrying or stowing the pack rather than wearing it on your back, its Bulk is light instead of negligible. The first 2 Bulk of items stowed in your backpack do not count against your Bulk limits (and are not included in your worn Bulk).

Deadly (trait): On a critical hit, the weapon adds a weapon damage of the listed size; this is added after doubling the weapon's damage.

☐ Healing Potion, Minor (consumable, healing, magical, necromancy, potion)
Activate ♦ (Interact); Effect Upon drinking this potion, you regain 1d8 Hit Points

Finesse (trait): You can choose to use Dexterity instead of Strength on attack rolls with this melee weapon.

Thieves' Tools: You need these tools in order to Pick Locks or Disable Devices.

□ Lesser Thunderstone (alchemical, bomb, consumable, sonic, splash) Activate
◆ Strike; Effect This bomb deals 1d4 sonic damage and 1 sonic splash damage, and any creature within 10 feet that fails a DC 17 Fortitude save is deafened until the end of its next turn.

Versatile (trait): A versatile weapon can be used to deal an alternate damage type listed. For instance, a piercing weapon that has "versatile S" can be used to deal piercing or slashing damage. Choose the damage type each time you make an attack.

FEATS AND ABILITIES

Lem's feats and abilities are described below.

□ Composition Spells You gain a pool of Focus Points that allow you to cast the composition spells counter performance and lingering composition. Each use of these spells uses 1 Focus Point, and Lem currently has a total Focus Point pool of 2. You can also use the composition cantrip inspire courage without spending a Focus Point.

Inspire Courage (bard, cantrip, composition, emotion, enchantment, mental) Cast ◆ verbal; Area 60-foot emanation; Duration 1 round; Effect You inspire all allies in a 60-foot emanation, granting you and all allies a +1 status bonus to attack rolls, damage rolls, and saves against fear effects.

Counter Performance (composition, enchantment, fortune, mental) Cast osmatic or verbal; Trigger You or an ally within 60 feet rolls a saving throw against an auditory or visual effect. Area 60-foot emanation. Effect Your performance protects you and your allies. Roll a Performance check (auditory for an auditory trigger, visual for a visual trigger). You and allies in the area can use the better result between your Performance check and the saving throw.

Lingering Composition (bard, enchantment) Cast ♦ verbal; Effect If your next action is to cast a composition cantrip, such as inspire courage, attempt a Performance check. The DC is a standard-difficulty DC of a level equal to the highest level target of your composition. The effect depends on your check result of your check.

Critical Success The composition lasts 4 rounds.

Success The composition lasts 3 rounds.

Failure The composition lasts 1 round, but you don't spend the Focus Point for casting this spell.

Gutsy Halfling: Your ability to keep your wits about you even when the chips are down make you incredibly reliable. When you roll a success on a saving throw against an emotion effect, you get a critical success instead.

☐ Halfling Luck (fortune) ◆ Frequency once per day; Trigger You fail a skill check or saving throw. Effect You can reroll the triggering check, but you must use the new result, even if it's worse than your first roll.

Muse (Maestro): Your muse grants you the *lingering composition* focus spell.

Occult Spellcasting: You can cast occult spells using the Cast a Spell activity. You can usually play an instrument for spells requiring a material and somatic component, as long as it takes at least one hand to do so. If you do, you don't need a free hand or a material component pouch. You can usually also play an instrument for spells requiring verbal components instead of speaking. See the Spells section for details on the spells Lem has in his repertoire.

Keen Eyes: You gain a +2 circumstance bonus when using the Seek action to find undetected creatures within 30 feet of you. When you target an opponent who is concealed from you or hidden from you, reduce the DC of the flat check to 3 for a concealed target or 9 for a hidden one.

SPELLS

Lem can cast the following spells. He can cast his 1st-level spells two times per day in any combination.

Charm (emotion, enchantment, incapacitation, mental) Cast somatic, verbal; Range 30 feet; Targets 1 creature; Duration 1 hour; Effect To the target, your words are honey and your visage seems bathed in a dreamy haze. It must attempt a Will save, with a +4 circumstance bonus if you or your allies recently threatened it or used hostile actions against it.

You can Dismiss the spell. If you use hostile actions against the target, the spell ends. When the spell ends, the target doesn't necessarily realize it was charmed unless its friendship with you or the actions you convinced it to take clash with its expectations, meaning you could potentially convince the target to continue being your friend via mundane means.

Critical Success The target is unaffected and aware you tried to charm it. **Success** The target is unaffected but thinks your spell was something harmless instead of *charm*, unless it identifies the spell (see Identifying Magic on page 305 of the *Pathfinder Core Rulebook*).

Failure The target's attitude becomes friendly toward you. If it was friendly, it becomes helpful. It can't use hostile actions against you.

Critical Failure The target's attitude becomes helpful toward you, and it can't use hostile actions against you.

Daze (cantrip, enchantment, mental, nonlethal); Cast ❖ somatic, verbal;
Targets 1 creature; Range 60 feet; Effect You cloud the target's mind with a mental jolt, dealing 4 damage. The target must attempt a basic Will save. If the target critically fails the save. it is also stunned 1.

Fear (emotion, enchantment, fear, mental); Cast >>> somatic, verbal; Range 30 feet; Targets 1 creature; Effect You plant fear in the target; it must attempt a Will save.

Critical Success The target is unaffected.

Success The target is frightened 1.

Failure The target is frightened 2.

Critical Failure The target is frightened 3 and fleeing for 1 round.

Ghost Sound (auditory, cantrip, illusion); Cast ❖ somatic, verbal; Range 30 feet; Duration sustained; Effect You create an auditory illusion of simple sounds that emanates from a location within 30 feet. This has a maximum volume equivalent to four humans shouting, but you can't create intelligible words or other complex sounds (like music).

Light (cantrip, evocation, light); Cast >>> somatic, verbal; Range touch; Target
1 object of 1 Bulk or less, either unattended or possessed by you or a willing
ally; Effect The object glows, casting bright light in a 20-foot radius)and
dim light for the next 20 feet) like a torch. If you cast this spell again on a
second object, the light spell on the first object ends.

Prestidigitation (cantrip, evocation) Cast ❖ somatic, verbal; Range 10 feet; Targets 1 object; Effect You perform minor effects for as long as you Sustain the Spell. This can include activities such as cooking a small amount of food, picking up or manipulating a light object, or cleaning a set of clothes.

Soothe (emotion, enchantment, healing, mental) Cast ❖ (somatic, verbal);
Range 30 feet; Targets 1 willing living creature; Duration 1 minute; Effect
You grace the mind of one willing target within 30 feet, boosting its mental
defenses and healing its wounds. The target regains 1d10+4 Hit Points
when you Cast the Spell and gains a +2 status bonus to saves against
mental effects for 1 minute.

Telekinetic Projectile (attack, cantrip, evocation) Cast >>> somatic, verbal; Range 30 feet; Targets 1 creature; Effect You hurl a loose, unattended object that is within range and that has 1 Bulk or less at the target. Make a ranged attack against the target. If you hit, you deal 1d6+4 bludgeoning, piercing, or slashing damage to the target. No specific traits or magic properties of the hurled item affect the attack or the damage.

Critical Success You deal double damage.

Success You deal full damage.
