CANTRIPS (AT WILL)

color spray, grim tendrils, magic missile **IST LEVEL (3/DAY)**

You are a powerful spellcaster whose power comes from channeling the magic that innately flows through your body.

EQUIPMENT

The following rules apply to Seoni's equipment.

- □ Antidote, Lesser (alchemical, consumable, elixir) Activate ♦ (Interact); Effect Upon drinking this elixir, you gain a +2 item bonus on Fortitude saving throws against poison for 6 hours.
- **Backpack:** A backpack can hold up to 4 Bulk worth of items. If you're carrying or stowing the pack rather than wearing it on your back, its Bulk is light instead of negligible. The first 2 Bulk of items stowed in your backpack do not count against your Bulk limits (and are not included in your worn Bulk).
- **Reload** (trait): This weapon takes 1 Interact action to reload before it can be fired again.
- **Two-Hand** (trait): This weapon can be wielded with two hands. Doing so changes its weapon damage die to the indicated value.

FEATS AND ABILITIES

- **Adapted Cantrip:** You can cast *forbidding ward* as an arcane spell (included in Seoni's cantrips).
- Assurance (Survival): Even in the worst circumstances, you can perform basic tasks with the Survival skill. You can forego rolling a skill check for your chosen skill to instead receive a total check result of 13 (do not apply any modifiers to this result).
- **Bloodline (Imperial):** Your bloodline defines the source of your magical power; for you this is your connection to ancient spellcasters who had mastered magic, and their power manifests in you.
- **Blood Magic:** Whenever you cast *ancestral memories*, or *magic missile* using one of your spell slots, you or a target of the spell also gain a +1 status bonus to skill checks for 1 round.
- **Sorcerer Spellcasting:** You can cast arcane spells using the Cast a Spell activity. See the Spells section below for details on the spells you can cast.
- ☐ Focus Points: You gain a pool of Focus Points that allow you to cast your bloodline spell: ancestral memories. Each use of this spell uses 1 Focus Point and you currently have a total focus pool of 1.
 - Ancestral Memories (divination) Cast ❖ verbal; Duration 1 minute; Effect
 Choose Thassilonian History Lore or any non-Lore skill; you become
 trained in that skill for 1 minute, and might gain other memories
 associated with that skill, at the GM's discretion.

Seoni can cast the following spells. She can cast her 1st-level spells three times per day in any combination.

- Acid Splash (acid, attack, cantrip, evocation) Cast ❖ somatic, verbal; Range 30 feet; Targets 1 creature or object; Effect When you cast this spell, make a spell attack against one creature or object within 30 feet; if you hit, you deal 1d6 acid damage plus 1 acid splash damage. On a critical success, the target also takes 1 persistent acid damage.
- Color Spray (illusion, incapacitation, visual) Cast ❖ somatic, verbal; Area 15-foot cone; Effect Swirling colors rush from your hands in a 15-foot cone, affecting creatures based on the result of their Will save as described helow
 - Critical Success The creature is unaffected.
 - Success The creature is dazzled for 1 round.
 - Failure The creature is stunned 1, blinded for 1 round, and dazzled for 1 minute.
- **Critical Failure** The creature is stunned for 1 round and blinded for 1 minute.
- Detect Magic (cantrip, detection, divination) Cast → somatic, verbal; Area 30-foot emanation; Effect You send out a pulse that registers the presence of magic. You receive no information beyond the presence or absence of magic. You can choose to ignore magic you're fully aware of, such as the magic items and ongoing spells of you and your allies.

You detect illusion magic only if that magic's effect has a lower level than the level of your *detect magic* spell. However, items that have an illusion aura but aren't deceptive in appearance (such as an invisibility potion) are typically detected normally.

- Forbidding Ward (abjuration, cantrip) Cast ❖ somatic, verbal; Range 30 feet; Targets 1 ally and 1 enemy; Duration sustained up to 1 minute; Effect You ward an ally within 30 feet against the attacks of an enemy within 30 feet. The target ally gains a +1 status bonus to Armor Class and saving throws against the target enemy's attacks, spells, and other effects.
- Grim Tendrils (somatic, verbal): Traits: necromancy, negative. Effect: You unleash a wave of dark tendrils, dealing 2d4 negative damage and 1 persistent bleed damage to all creatures in a 30-foot line. Affected targets can attempt a Fortitude save with the following results.
 - Critical Success The creature is unaffected.
 - **Success** The creature takes half the negative damage and no persistent bleed damage.
 - Failure The creature takes full damage.
 - **Critical Failure** The creature takes double negative damage and double persistent bleed damage.
- Magic Missile (evocation, force); Cast ❖, ❖>, or ❖>> somatic, verbal; Range 120 feet; Targets 1 creature; Effect You fire a dart of force that automatically hits the target, dealing 1d4+1 force damage. For each additional action you spend Casting this Spell, you fire one additional dart that you can aim at any target within 120 feet.
- Ray of Frost (attack, cantrip, cold, evocation) Cast >>> somatic, verbal; Range 120 feet; Targets 1 creature; Effect You attempt a ranged spell attack against one creature within 120 feet. If you hit, you deal 1d4+4 cold damage to the target. If you critically succeed at your spell attack roll, you deal double damage and the target takes a -10-foot status penalty to its Speeds for 1 round.
- Shield (abjuration, cantrip, force) Cast ❖ verbal; Effect You conjure a magical shield of force that lasts until the start of your next turn. This counts as the Raise Shield action and grants you a +1 circumstance bonus to AC (though it doesn't require a hand to use) and allows you to use the Shield Block reaction. This shield has Hardness 5. After you use the Shield Block reaction, this spell ends and you can't use it again for 10 minutes.
 - **Shield Block** Trigger You would be damaged by a physical attack while your shield is conjured. **Effect** You interpose your magical shield between you and the attack, reducing the damage by 5. You take any remaining damage.
